## April Mission: Childhood Food Solutions

This small local program provides food for hungry children in a few neighborhoods in Cincinnati on weekends, holidays and summer breaks, when school breakfast and lunch is not an option. This program, in its 11<sup>th</sup> year, serves over 4000 children by providing food sacks containing high caloric foods that are intended to discourage rapid ingestion, allowing the food to stretch as far as possible. To learn more about this mission please visit the Childhood Food Solutions website at [www.kidsfed.org](http://www.kidsfed.org). There is also information on the AIM bulletin board in the lobby. Please consider a donation for this mission during the month of April. For questions you may contact **Linda Overholt**.
