## Two Missions for the Month

Lakeview has two missions for May this year. **Strengthen the Church** is one of the five United Church of Christ missions we support every year. Money collected supports the expansion of the UCC church and the creation of new church communities. **United Church Homes** develops senior living facilities that share the vision of the UCC, welcoming all. They provide affordable housing communities in 13 states. Our contributions will help support UCH's mission. Your mission offerings will be split 50/50 between these two missions unless otherwise noted on your offering check or envelope. Thank you.

## Evicted—New Selection for the Thursday Evening Book Group

A new book for the Spring! Our book group will be starting back up and we will be joining other UCC congregations across the country as we read and discuss *Evicted: Poverty and Profit in the American City* by Matthew Desmond, who will be the Keynote Speaker at this summer's UCC General Synod.

This book considers the lives and challenges of families struggling to make ends meet, landlords, and others that are impacted by the “high cost of housing that is pushing families into poverty...like an epidemic, destabilizing homes, schools, and communities.”

The book is available in paperback and in an electronic version, so check out your favorite book purveyor to get a copy. We will begin this book discussion on Thursday, May 23 at 7:30 pm and continue to meet each Thursday evening to discuss and learn from the book and from each other. Everyone is invited. Please call the church office or see Pastor Todd if you have any questions.
