- The Congregational meeting minutes will be approved at the next Congregational meeting.

Minister's report

- PACT—the following names were submitted for EC approval: Vickie McKenzie, Karen Cromack*, Ben Miller, Elyse Paul, Cindy Wood, and Darlene Bierkin (pending her agreement). A motion was made by Rosemary to accept the names. Adam seconded. Motion passed.
- Because of time spent moving, Anthony will not finish visiting all members by the end of September, as he had hoped.
- He will be putting out feelers for interest in a book group.
- Friday is the Heartland Conference.

Youth minister report

- Confirmation class planning is going well. Letters will be sent out to prospective students.

- The Christmas play has been ordered. Performance will be on December 20.
- This coming Saturday the Youth Group will meet.

Treasurer's report

- HVAC and parking lot sealing have been paid in total.
- We have $35,000+ in our checking account. $13,600 is support/operating money. We have come to the slow time in receiving operating money.
- Rosemary made a motion to approve the Treasurer's report, seconded by Rob. Motion passed.
- **Later in the week, because it was not brought up at Monday's meeting, Karen sent emails to Council, asking for approval to end extra salary for Natalie and Corey, now that Anthony is here. Rosemary made a motion to do so, Adam seconded. Motion was approved, by email.**

Maintenance

- Having met with a representative of Tecta America, the roofer who replaced the entire roof in 2013 said the shingles installed then carried a 40-year guarantee. (This information changed the original forecast of roof replacement.) Therefore, we do not have to ask Cornerstone for $200,000 to add to our loan, just a lower amount to do the other repairs that are on our list. We should announce this change to the congregation soon.
- The gutter needs to be fixed soon.
- Dave and Adam will talk to Feazel about repairing the sanctuary wall.
- Dave Maile volunteered to be the Facilities Chair. He would form a committee whose members would have building/other appropriate repair experience to discuss maintenance issues. A plan would be formed, 3 bids acquired and recommendations brought to the Executive Committee for approval. This committee would not be required to do the actual work.

- Rosemary made a motion to accept Dave's offer to be Facilities Chair, and his proposal for a committee. Adam seconded and the motion passed.
- Teasdale is 'working' on answers according to their VP.
- Dave, Rosemary, Fred, Steve did painting on the outside.
- Any maintenance issues need to be sent to our maintenance email. Notices have been posted for all groups to see. We don't want church members to approached on the fly about issues.

Membership

- Linda reported that we have had visitors, most of whom have not returned. She will try contacting them, if possible.
- We have had, on average, attendance in the mid-40's
- She will speak at a future date about an Inquirer's Class.

Association/Conference

- Lisa has not received much info from the Conference or Association. She was given sign-up info for the Conference newsletter.
- SONKA will be meeting in October.

Odds and Ends

- $1996 was given in donations to IgnitePeace.
- Kathy will send a thank you note to the Scouts for their work on the dumpster enclosure.
- Julie agreed to take another 2 year term as Financial Secretary.
- The Budget Committee needs to meet.
- Full Council members can vote.
- Anthony would like Council to think about how to move forward when we are not dealing with a crisis of the month.

The next meeting will be October 26 at 7pm.

The meeting was adjourned after a motion and second by Adam and Karen.

Respectfully submitted,

Kathy Baughman, Recording Secretary

***Note:** Karen Cromack's name was submitted here in error. Paula Seward should have been submitted as a member of PACT. The correction was made during the October EC meeting and received an affirmative vote from council. That information will be available in the October minutes once they are approved by EC and posted. (*addendum submitted by Natalie Nolte*)
